

Annual Call for DAISY Team Award Nominations!

Share Your Story!

The DAISY (Diseases Attacking the Immune System) Award is an international recognition program that honors and celebrates the skillful, compassionate care nurses provide every day. The DAISY Foundation was established by the family of J. Patrick Barnes after he died from complications of the auto-immune disease ITP in 1999. During his hospitalization, they deeply appreciated the care and compassion shown to Patrick and his entire family. When he died, they felt compelled to say “thank you” to nurses in a very public way. Please say thank you by sharing your story of how a nurse made a difference you will never forget!

This **nurse-led** team exemplifies Crouse Health’s mission and values and are role models of collaboration and teamwork that made a difference in the lives of patients, families, employees or your community.

Name of Team:

Please describe in detail the team, their story and the outcomes:

More space on back to continue your story

Thank you for taking the time to nominate an extraordinary nursing team for this award.

Your Name _____ Date of nomination _____
Phone _____ Email _____
